## DXC Technology

DXC Technology helps customers across the entire enterprise technology stack with differentiated industry solutions. Their Data and Analytics division offers a complete portfolio of services, with a team of 4500+ professionals. Using established data labs, they deliver solutions based on best-in-class analytics and machine learning platforms to rapidly provide insights and accelerate digital transformation journeys. DXC combines years of experience running mission-critical systems with the latest digital innovations to deliver better business outcomes and new levels of performance, competitiveness and experiences for their customers and their stakeholders. Our extensive partner network helps drive collaboration and leverage technology independence.
